

Markham Campus

180 Honda Boulevard, Markham, Ontario

The Honda Junior Red Riders (JRR) program is designed for kids aged 6-12 who dream of riding! The program will teach your child the fundamentals and the importance of safety gear, how to ride safely off-road and why it is important to respect your riding environment.

You will quickly see your child make new friends, gain confidence and have a great deal of fun. It is important that the JRR participant know how to ride a two wheel bicycle comfortably before signing up.

The JRR program is offered Saturday and Sunday in the month of June and Thursday to Sunday in July & August* (Wednesdays are available for larger group events such as birthday or corporate parties)

The Honda JRR camp location is:
Honda Campus 180 Honda Blvd, Markham, ON
(Highway 404 & Elgin Mills)

Camp sessions are 4 hours and are offered ½ day sessions, 8-12 am or 1-5pm. Please ensure you advise us of your preference at the time of booking. The cost per ½ day session is \$150+tax. Honda provides everything for the camp day experience.

Each child will be fitted with a full set of safety gear, a CRF dirt bike and full riding instruction (ratio for classes are 1 instructor per 4-5 kids). To ensure fun and wellbeing regular water and snack breaks are enforced. The camp days run rain or shine (cancelled only if there is thunder/lightning). Each child will leave with a JRR graduate certificate as well as a swag bag. Motorcycles used for the program are CRF50F, CRF110F and CRF125. Children and bikes will be matched by size.

* Some exceptions apply

**All of our 2017
sessions are FULL**
