

## **Honda Campus, Markham, ON**

180 Honda Blvd, Markham, ON

The Honda Junior Red Riders (jrr) program is designed for kids aged 6-12 who dream of riding! The program will teach your child the fundamentals of the importance of safety gear, how to ride safely off-road and why it is important to respect your riding environment.

You will quickly see your child make new friends, gain confidence and have a great deal of fun. It is important that the jrr participant know how to ride a two wheel bicycle comfortably before signing up.

The jrr program is offered from Thursday to Sunday in the months of June / July & August\* (Wednesdays are available for groups over 15 for events such as birthday parties) at the Honda Campus immediately off highway 404 in Markham.

Each camp day offers two ½ days sessions, 8-12 am & 1-5pm. Please ensure you advise us of your preference when booking. The cost per each ½ days session is \$150 plus tax. Honda provides everything for the camp day experience. Each child will be fitted with full safety gear, a CRF dirt bike and of course full instruction (ratio for classes are 1 instructor per 4-5 kids). We also ensure each child gets plenty of water and snack breaks. The camp days run rain or shine (cancelled if there is thunder/lightning). Each child will leave with a jrr graduate certificate as well as a goodie bag. Motorcycles used for the program are CRF50F, CRF110F and CRF125. Children and bikes are matched by size.
