SUBJECT: 2018 HONDA RED RIDER PROGRAM

Honda Racing Heritage – “If Honda does not race there is no Honda” – Soichiro Honda

We are pleased to release the details of the **2018 HONDA RED RIDER Program**. The Honda Red Rider program retains the race purchase discount program for 2018 for eligible top performing Honda Red Rider participants who compete in the MRC, Flat Track Canada, WEC & CSBK series. The discount offering, coupled with a robust contingency program, shows that Honda is commitment to customers who choose to ride and race Honda.

From grass roots to the world’s best, Honda globally supports all categories of racing. The countless hours of testing and developing new technologies on and off the track are often found in the motorcycles our customers use every day. Whether you are a world champion like six-time world champion Marc Marquez or you are just starting to ride, Honda is proud to build a motorcycle to fit your needs.

If your customers are inquiring about joining the ranks of the many Canadian racers who ride Honda, such as four-time MX champion Colton Facciotti and current flat track champion Brodie Buchan, or you are an up and comer, now is the perfect time to become a Honda Red Rider. MX, AX, SX, Flat Track, Enduro, or Road Race, the Honda Red Rider program has something to offer them.

The successful “Honda Race Purchase” program has been revised for 2018. All racers who previously competed at the pro level in their discipline, will be given the opportunity to qualify for the purchase program. All racers must submit race resumes and an application for the purchase program by April 15th, 2018.

In addition, **ALL** eligible Honda Red Riders will be able to take advantage of a discount on select Honda generators to support their team efforts at the track. More details can be found below on the generator claim form.

Contingency Program:

Honda is offering a combined total of over \$450,000 in available contingency and discount money, for both off-road and road-race. **Applications must be received on or before June 1, 2018.** Additionally, any Red Riders who purchase a new & unregistered 2017/2018 CRF250R, CRF450R, or CRF450RX between **February 1st 2018 and June 1st, 2018** will qualify for an **exclusive \$500 in-store credit!** This offer is open to all qualifying Red Riders but cannot be combined with the **Purchase Program.**

Purchase Program:

Eligible pro racers will be able to apply for a discount of 10% off MSRP on select new 2017 or 2018 CRF and CBR models. The selected racers will also be eligible to receive a parts allowance dependent on model purchased (see below for details) to assist with season startup (parts allowance varies based on model purchased). This discount program is available only to approved “Honda Red Rider” pro racers in MX, AX, SX, Flat Track and Enduro/XCountry (off-road) and CSBK pro Sport and Superbike as well as the all-new light-weight class. All interested racers must apply through a participating Honda dealer before April 15th, 2018 to take advantage of the discount program. ****note – there are a limited number of discount packages available per class. 19. To save, indemnify and hold Honda harmless from and against all losses, damages, expenses, including legal expenses, liabilities, claims, demands, actions and suits whatsoever, and by whomever made, arising from or in respect of any personal injury, including fatal injury, or property damage which may be sustained or incurred by any person in connection with, relating to, or arising from the Minor's use and/or operation of the Motorcycle and whether arising in whole or in part from any negligence or breach of contract or other breach of duty or wrongful act by Honda or other participants in any Racing Events, or otherwise.

21. That this agreement is intended to be as broad and inclusive as permitted by the laws of the province where the event takes place and shall be construed broadly to provide a release and waiver to the maximum extent permissible user applicable law and that if any portion is held invalid, the balance shall, notwithstanding, continue in full force and effect.
